Registration for Fall 2013: REMINDERS

- Most of you will register for a Cohort in the next few days. After that, changes cannot be made.
- Do NOT look up classes to find Cohort and Stats information – it is only available in the email I sent to you on March 27th.
- You will likely need to be flexible about your choice of Cohort.
- If ALL of the Cohorts fill up before you register, I will be in touch with you about what to do.
 - Note: You cannot be registered if you still have a HOLD on your account.
- If you are not in a cohort and do not get an email from me within a day of registration, email me IMMEDIATELY.
- You should all be registering for a Cohort and either Stats 1 or Statistical Decision Making unless you have WRITTEN PERMISSION from me. If you have permission to take something else, it MUST BE at the same time as the Stats for your Cohort.

Summer 2013 Classes

- Reminder: no Business Core classes permitted in summer due to the Integrated Business Core Curriculum
- You must take the following classes to move on to Sophomore Year: Macro, Micro, Calculus, Finite, Comp II, and Ground Floor. Contact me with questions.
- To get approval from another school:
 - Find the class at another school, must be 4 year college or University, no community colleges, and not online
 - **Print from college/university website: Course Description, proof of 3 credits, proof of 40-45 hours meeting time**
 - Bring **ALL** of the above information to me and get a course approval form
 - Get approval at the appropriate department
 - Bring to my mailbox the approved form for your file
 - Register for and take the class and get a grade of C or better
 - Send the transcript to the Sophomore Dean after completing the class; grade will appear on your transcript, but not factor into your GPA

Global Mindset Follow-Up

- How much do you understand about the experience of others?
