

WHAT:

The Alumni/Student Supper Club brings together Gabelli students and alumni for small-group networking and mentoring dinners. These meals offer students an invaluable opportunity to make contacts in the business world and to ask questions about classes, careers, and other topics in a fun and informal setting. Participation in the Alumni/Student Supper Club is free to students.

WHO:

The Alumni/Student Supper Club is open to all Gabelli undergraduate students on a limited basis.

WHEN & WHERE:

One dinner event will be held each month. Alumni mentors will take five to six students to a restaurant that they have chosen. Times for each dinner will vary. Students will be able to apply for a dinner based on their interests and date preferences. Available dates and alumni bios are available on gabelliconnect.com.
