KPMG International Case Competition

Congratulations Fordham University students – your campus has been chosen to participate in KPMG’s International Case Competition (KICC)! As one of only 30 universities selected, you’ll compete head-to-head

against some of the brightest students across the country for the ultimate prize, an all-expenses-paid trip to the International Finals in Madrid, Spain.

The KICC will allow you and three friends to showcase your business acumen, network with KPMG professionals, and travel to new and exciting places. This program promises to be a unique and rewarding experience. The first step of your journey to Madrid, Spain is competing against your fellow Rams to represent Fordham University at the U.S. Regional Competition in Washington D.C. and possibly at the National Finals in New York City.

Sound exciting? It gets even better. To simulate the tight deadlines and demands of today's business world, this case competition only requires a 48-hour time commitment. All you need is the case, two days to analyze the issues and make recommendations, and three friends to form your team.

Ready to learn more? Check out our Web site at www.kpmg-campus.com/KICC or e-mail your KPMG contact at mripp@kpmg.com for important dates and deadlines.

For additional information, please attend an Info Session:
