

**NEW JERSEY SOCIETY of CERTIFIED PUBLIC ACCOUNTANTS
BERGEN COUNTY CHAPTER**

November 2013

The Bergen County Chapter of the New Jersey Society of Certified Public Accountants is once again proud to offer its annual scholarship awards program. The program is open to all accounting majors with less than 150 credits **who live or attend school in Bergen County and will be enrolled in school as of September, 2014.**

This year, the NJSCPA is offering \$475,000 in scholarships. Of that amount, the Bergen Chapter will be committing AT LEAST **\$25,000** to the program. Since 2005, the Chapter has granted over \$200,000 in scholarships to aspiring CPAs, offering multiple awards ranging from \$2,500 to as much as \$5,000. Students are eligible so long as they have not received scholarship assistance that has already covered their FULL tuition.

Students are NOT precluded from applying for other NJSCPA scholarships. However, each is eligible to RECEIVE ONLY ONE NJSCPA or NJSCPA Chapter scholarship.

Recipients are chosen based upon the following criteria:

- scholastic achievement;
- related LIFE experience;
- a written essay, and;
- personal assessment statement as to the reason to be selected as a **Bergen Chapter** scholarship recipient

The application deadline for the BERGEN CHAPTER scholarship is April 4th, 2014. Application forms are attached for distribution to your students. These can be reproduced as needed or made available on your websites. Forms will also be available at all of the aforementioned seminars, so please urge your students to attend as often as possible. On-line application is also accepted at the e-mail address given.
