- Upcoming Events
- Mission, Ministry, and Business

# Meet Next Year's Dean

Hanaa Fawzy

Assistant Dean and Advisor for Sophomores

# Meet Next year's IP 1 Lead Faculty

Larry King  
Marketing Professor  
IP1 Lead Faculty Member

# Reminder: Revised Final Exam Schedule

- Due to snow days, revised reading days and final exam schedule
- Three extra days of class time: May 2, May 5, and May 6. May 2 will follow a Wednesday schedule. May 5 will follow a Monday schedule, and May 6 will follow a Thursday schedule.
- The 2nd and 5th are currently reading days. The 6th is currently the first day of exams.
  - The exams that were scheduled for the 6th will be moved to other days within the revised exam period. Thus, on some days during exam period, there will be three exams scheduled. Students who end up having three exams on one day will be able to reschedule one to a separate day.
  - The exams that were to be held on the last day of reading period (May 5) will be moved to Saturday, May 10, with Accounting in the morning and Modern Languages in the afternoon. Again, arrangements can be made for any student unable to take a Saturday exam.
- **The revised exam schedule has been posted to the University website:**

<http://www.fordham.edu/images/enrollment/es%202014s%20fc-cb-cl%20final%20exam%20schedule.pdf>

# REMINDER: Summer Courses

- See my slides from December, January, and February for information on:
  - Who must take summer courses
  - Summer Course information at Fordham
  - How to get summer courses approved from other colleges/universities
- Slides available at:
  - [www.gabelliconnect.com/freshman-advising](http://www.gabelliconnect.com/freshman-advising)

# Diversity & Global Mindset Follow-Up

- How much do you understand about the experience of others?

- Impacts your IP team experiences and your future as a business leader!

# Reminder: Registration Dates & Holds

## DATES:

Monday, April 7	76+ credits
Thursday, April 10	47+ credits
Monday, April 14	27+ credits
<b>Tuesday, April 15</b>	<b>0+ credits</b>

## Notes:

- **All days begin at 7:00am**
- These days are for GABELLI students only.
- Based on **EARNED** credits; does not include spring classes or fall classes with F or W.
- **\*\*\***The majority of Gabelli freshmen will register Tuesday, April 15, 2014.
  - A few students, such as some students registered with Disability Services, will receive an advising pin from the relevant department to register at an earlier time.

## HOLDS

- Do not forget to **KEEP CHECKING** your account in late March and early April to ensure there is no hold on your account preventing registration. **If you find a hold, please clear it by registration!**
- If you do not have a hold, but do not register for classes on registration day, you may not be able to select your Cohort and it may be chosen for you based on availability.

# REMINDER: Fall 2014 Courses

- **All of the classes you will be taking in Fall 2014 are part of the Cohort.** You will not be choosing any courses in addition to the Cohort courses in Fall 2014. In Spring 2015, you will get to choose ONE class in addition to the Cohort courses.
- Each Integrated Cohort includes:
  - Integrated Project (IP) Class: 1 credit.
  - Full semester classes (3 credits): Principles of Financial Accounting (ACBU 2222), Marketing Principles (MKBU 3225), and Statistical Decision Making (MGBU 2142).
  - Half classes (1.5 credits): Business Communications (CMBU 2664), Principles of Management (MGBU 3222), Strategy (MGBU 4440), and Information Systems (INSY 2299). Take other half of class in spring sophomore year with the second Integrated Core Cohort.
  - Your cohort will be divided into two groups for Business Communications and Statistical Decision Making.
    - The two Business Communications are at different times. We will register you at random for one of these (not both) based on your team assignment in LATE August.
    - The different Statistical Decision Making courses will be at the same time (except for SOME varsity athletes). We will register you at random for one of the sections.
- You will register only for the CRN of the IP; it will appear you are registered for one 1 credit course. We will do the rest!
  - If the Cohort you want is full, you must pick another one; like prior registration, when a class is full, you need to find another section. **Keep trying until you get into an INTEGRATED PROJECT class.**
  - Do NOT register for more than one Cohort. If you do, we will select one at random to determine your Cohort.
  - There will likely be 14 cohorts; specific information (dates/times) will be emailed to you, likely after Spring Break.
  - Please note: Professors associated with courses are **SUBJECT TO CHANGE until the semester begins.**
  - **You will NOT be able to DROP/ADD.** Once you are in a Cohort, no changes will be permitted after registration day. Absolutely no drop/add will be allowed after classes start.

# REMINDER: Registration for Fall 2014: EXCEPTIONS

- VARSIY ATHLETES: You will be registered for a cohort of classes that does not conflict with your athletic obligations; you do not need to register yourself.
- A small number of you are currently enrolled in Statistical Decision Making (SDM), likely because you are minoring in a foreign language or are pre-health. If you are currently in SDM, you will register for TWO CRNS: the Cohort and ONE class of your choice.
  - You must have already received permission from me.
  - The class of your choice **MUST** be at the same time as the SDM associated with the Cohort you select (you will have to pick a Cohort that has an SDM at the same time as your choice class).
  - Email me prior to registration to confirm your registration plans with me; email me after registration to confirm you registered properly.
  - Any registration that does not follow these guidelines will be removed from your account.
- GBHP: You will register for a cohort and will **NOT** be put into SDM; you can select one course of your choice.
  - The class of your choice **MUST** be at the same time as the SDM associated with the Cohort you select (you will have to pick a Cohort that has an SDM at the same time as your choice class).
  - Any registration that does not follow these guidelines will be removed from your account.

# REMINDER: Incomplete Requirements

- Some of you have not completed the 7 required classes prior to Sophomore Year.
  - **If you plan to complete the remaining required classes this summer**, register for a Cohort. The Sophomore Dean will check your summer courses prior to the start of Fall and remove you from the Cohort if you do not complete the requirements. If you are taking summer classes at a school other than Fordham, be sure to send your official transcript to Dean Fawzy ASAP.
  - **If you do not plan to complete the remaining required classes this summer**, do not register for the Cohort. Make an appointment to speak with me to plan your coursework.
  - **If you took Pre-Calculus in Fall 2013**, we encourage you to take Calculus or Finite (whatever you are missing) in Summer 2014, but you have the option of not taking it this summer, and taking it with your Spring 2015 Cohort at the LATEST. You do not need my permission to do this. You can only do this if you took Pre-Calculus in Fall 2013. Register for a Cohort.
  - **If you took ESL in Fall 2013**, we encourage you to take Composition 1 or 2 (whatever class you are eligible to take) in Summer 2014, but you have the option of not taking it this summer, and taking it with your Spring 2015 Cohort at the LATEST. You do not need my permission to do this. You can only do this if you took ESL in Fall 2013. Register for a Cohort.

# Appointments with Me

- To meet with me, make an appointment on Gabelli Access
  - Log into My.Fordham.edu, go to Student Tab, click on the link for Gabelli Access - you will go directly into system
  - Go to [www.GabelliConnect.com](http://www.GabelliConnect.com), click on link for Gabelli Access, and you will have to login. Your username and password are the same for My.Fordham.edu.
- To look at slides from prior advising sessions:  
<http://www.gabelliconnect.com/freshman-advising>
